

# E-Force Limited Powertrain Warranty

## FAQ's

### **Where can I find the serial number of my E-Force Supercharger?**

The serial number will be 1-4 digits, depending on manufacture date, and is:

- Printed on the check list that's located inside the supplied Installation folder
- Printed on labels adhered onto the two Inner packing boxes (manifold box & kit box)
- Stamped into machined surface(s) on the supercharger (locations vary by application)

### **What is the "In service date" and where can I find it?**

The In service date is when the vehicle was first purchased as a new vehicle. It should not be confused with the manufactured date. In order to determine the in-service date for your vehicle, you may:

- Request it from a new car dealer for your make of vehicle
- Order a CarFax report
- Call (877) 266-3838 and request the date for a fee of \$9

### **What if I have technical questions or warranty issues for the supercharger system itself?**

Please direct all technical questions for product warranty issues to our technical assistance department at 800-416-8628 or visit <http://www.edelbrock.com/automotive/misc/tech-center/>

### **Dealer modified new vehicles**

Must activate within 30days of In-service date, “Dealer modified new vehicles” in “date of supercharger install” field. Receipts? Window sticker, dealer receipt acceptable or should dealer send receipts

Dealer activates and we transfer it to new owner

### **Are No Tuner Systems covered?**

No Tuner systems are not eligible for the drive train warranty. Only Stage I and Stage II (Corvette only) systems that include a tuner are covered; this is to ensure that the Edelbrock tune is used.

### **What affect does this have on the previous E-Force Warranty polies?**

Edelbrock will assume responsibility for assessing all claims for policies purchased prior to the introduction of the Free Edelbrock E-Force Limited Powertrain Warranty.

Policies purchased during February 2012 & earlier have been underwritten by a third party and are still valid

Policies purchased during March 2012 – August 2014 will be accessed on a case-by-case basis
