NOTE TO CUSTOMERS: Edelbrock products are sold nationwide through a large network of independent auto parts stores, automotive chain stores and installers—all supplied by Edelbrock warehouse distributors. Pricing of performance automotive equipment at the retail level is very competitive. Therefore, you may be able to purchase Edelbrock products from a local dealer at a lower price than we are able to offer factory-direct, considering additional shipping and handling charges. We suggest you contact a local retail outlet in your area prior to placing your order direct. Our Mail Order Department was formed primarily to service our customers in rural areas where dealer access is limited. Service is our main concern; making quality Edelbrock products available to all our customers is our main service.

RETURN POLICY: Undamaged merchandise must be returned within thirty (30) days of purchase and be in acceptable condition for resale. Returned items must be in their original, undamaged packages. All items must be returned via insured, pre-paid freight to the address specified by the Edelbrock Customer Service Representative. After inspection and acceptance, a restocking fee of 15% of the original selling price of the item will be charged. All shipping expenses are to be paid by the customer. Edelbrock reserves the right to determine the value of an item that has been exchanged or returned. **Returning damaged, defective or incorrect merchandise:** If your package arrives visibly damaged, please note any and all damage to the carton on the delivery receipt or kindly refuse the delivery and contact Edelbrock immediately. Please unpack and inspect all items as soon as possible, if the incorrect item is shipped or if the merchandise arrives damaged or is not working properly, please contact Edelbrock within five (5) business days of arrival. Once we have evaluated the problem, we will do our best to ensure that you receive the correct item or a replacement item. Incorrect items will be substituted with the correct ones at no cost to you.
